Our Programming includes, our Summer Day Camp, our Adult Day Program – The “Day Dreamers”, and monthly, Year-Round Respite and Enrichment Activities.

We are excited about our future home in Wilson County. The Multi-Phase project will consist of a 37,000 square foot Community Recreation Building and a Recreational Sports Complex, complete with a splashpad, playground, sports court, bocce courts, a soccer field, and a Miracle League Baseball Field.

Through Empower Me Center, individuals with special needs develop, long-term life skills, a sense of self value and self-confidence. Their strengths and their differences are embraced, and they become empowered to live fun, fulfilling, and productive lives, empowering them to establish life-long friendships, and achieve their highest potential.
