

We all know what Richard meant to his family, friends and the community around him. He will always be remembered for his huge smile and heart to match. His dedication to the community is evident

by his membership in the Lebanon Rotary Club, his leadership in managing the Lebanon Youth Baseball League for years and his support of numerous charities through the generosity of THW Insurance, of which he was a partner!

The goal of this foundation will be to provide support for numerous deserving organizations and individuals in our community through financial donations made in Richards name. Those of us who knew Richard will never forget him and it is the goal of this foundation to provide a continuing legacy in his honor.
