

TN Voices (TNV) was founded in 1986 by Tipper Gore and serves as a statewide and national source of referral, support, and advocacy for families and the mental health systems that serve them. Through our many different programs serving infants to adults, our organization has informed, supported, and assisted over 50,000 families, individuals, and professionals across the state.

OUR MISSION:

To be the collaborative leader guiding mental health transformation.

OUR VISION:

To provide hope to all generations.

TNV works to ensure that mental health services provided to children and families in Tennessee are family driven, community based, and culturally and linguistically competent. TNV is a not for profit with 501(c) 3 status and the statewide chapter of the National Federation of Families. The majority of TNV's staff are parents or caregivers of children with mental health needs. TNV is licensed by the Tennessee Department of Mental Health as a mental health facility.

We want to build hope for all generations as we seek to provide long lasting solutions.

This event will be a fun filled day with great food, fun games, amazing prizes, and friendly competition!
