

At Music City Wheels, we're focused on creating real, measurable change for people with disabilities—starting locally, but reaching far beyond. Our mission is powered by advocacy, innovation, and community support.

In just our first year, we've helped push forward critical disability legislation in Kentucky, Louisiana, and Iowa, supported advocates working to reform broken systems, and laid the groundwork for projects that are already reshaping lives. That includes launching a financial consultation initiative to help families navigate the complex world of disability benefits, and piloting a ride-share program in Nashville designed for power wheelchair users—a first-of-its-kind mobility solution to bridge the transportation gap.

This journey started after I sustained a C4/C5 spinal cord injury in a 2022 car accident that left me paralyzed from the shoulders down. The experience opened my eyes to just how overwhelming, expensive, and isolating life with a disability can be—and how urgently we need systems that are smarter, more compassionate, and more equitable.

Music City Wheels exists to be part of that solution. As we move forward, we're expanding our impact across Tennessee—helping families find clarity in the benefits system, supporting local charities, and bringing meaningful change to the everyday lives of those often overlooked.

We're building a future where disability isn't a barrier—it's simply one part of a much bigger, empowered story. Join us.

2ND ANNUAL EVENT

MONDAY
SEPTEMBER 29, 2025

BENEFITING:

**PROCEEDS FUND CHILDREN'S
ADAPTIVE EQUIPMENT**

HELLO FRIENDS, GOLFERS, AND VOLUNTEERS!

We're excited to invite you to the 2nd Annual Music City Wheels Golf Classic on Monday, September 29th at The Club at Five Oaks in Lebanon.

Last year's tournament was an incredible success, allowing us to fund meaningful advocacy work and pilot new ideas that are already making an impact. Now, we're ready to build on that momentum—with bigger goals and broader reach—and we need your support to make it happen.

Over the past year, Music City Wheels has:

- Supported major disability advocacy efforts in Kentucky, Louisiana, and Iowa—helping local leaders successfully push for state-level policy changes;
- Launched a financial consultation initiative aimed at helping families with disabilities navigate the overwhelming benefits landscape;
- And developed the framework for a rideshare-style transportation system in Nashville specifically for power wheelchair users.

These projects reflect our broader mission: to give people with disabilities the tools, support, and opportunities they need to live with dignity and independence.

This year, we're taking it further. With your help, we're aiming to:

- Help more Tennessee families understand and access disability resources;
- Invest in community-led solutions and local nonprofit partnerships;
- And fully launch our wheelchair-accessible rideshare program, the first of its kind in the region.

What started as a response to a life-altering spinal cord injury in 2022 has become a movement of hope, purpose, and action. I created Music City Wheels because I believe every person deserves the chance to live fully, regardless of ability—and this tournament is a big part of making that vision real. Whether you're joining us solo, with a team, or as a sponsor, you'll be directly fueling change. Expect great food, exciting raffles and auctions, a beautiful day of golf—and most importantly, a chance to be part of something meaningful.

Thank you for being part of the journey.

With gratitude,
Robby Barbieri
