

People Loving Nashville shares Love and Dignity with the unhoused & most vulnerable of Nashville by bringing Relief, Community, Connection, and Restoration.

They do this by building a consistent and safe community starting with relief - food, clothing, & survival supplies. As trust grows, friendships form where they can navigate together connections to resources, from IDs and birth certificates to housing navigation. Finally, they use a holistic approach within their Restoration program to meet people during the critical period of stepping off the streets and into their housing. The goal is building towards dignity and sustainability by providing creative opportunities for mental healing, cultivating life skills, and providing low-barrier employment opportunities.

People Loving Nashville, weekly, provide over 800 meals, prepares and distributes clothing and emergency supplies, and provides emergency response to serve some of the most vulnerable of Nashville in public spaces, low-income apartment complexes, encampments, and more.

Uptime Outreach focuses on life coaching opportunities to engage students at crucial times and learn to

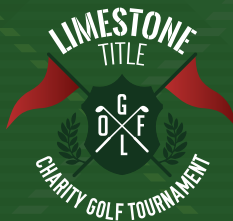

trust Jesus Christ as Lord and Savior. We have seen countless lives change over 30 years as we engage new students and come alongside them in their faith.

Through campus events, one-on-one meetings, small groups, and sports outreach, we engage college and high school students worldwide, enabling us to preach the gospel creatively and make a lasting impact.

Our call is to reach these strategic environments and shift the balance of belief in our nation and beyond with the powerful truth of Jesus' resurrection. We're honored to count you as part of our team as we change the world together.

Reach Up, Reach Out.
